Dear Sandra,

This is a short note of thanks for your continued support of Fort Rucker and the Aviation Warfighting Center training Mission. As you very well know, we asked for your help over the Christmas holiday in painting a few of our CH47D "Chinook" aircraft and we could not be more pleased with the results. Not only did you meet our somewhat aggressive schedule, your team of professionals surpassed it. I do not believe that there is another company in the wiregrass area or in the state of Alabama, which could have accomplished what you did. We are truly grateful for your efforts.

I cordially invite you to visit us at your earliest convenience. I would be proud to escort you to Knox field where you can see your efforts shape the future of Army Aviation. Your team is truly a resource we will look to use for many years to come.

Again, thank you for your support. Please pass on my thanks to your employees!

Sincerely,
