HELISPEC, INC.
269 Foster Street
Brantley, Alabama 36009

Dear Mr. Holt, Mr. Topping and Ms. Smith:

On behalf of the Troop Committee, the parents and the Boy Scouts of Troop 77 in Enterprise, Alabama, I would like to offer my most sincere thanks for your generosity and kind efforts to completely repaint our troop's trailer. The painting is beautifully done and the artwork is nothing less than spectacular. Several of the troop parents and committee members cleaned and painted parts of the trailer several years ago, but our efforts were pale in comparison to the professional result your company has produced for us. Our troop simply could not have repainted the trailer and achieved a result in any way as beautiful as what your company has done for us. Everyone in troop - boy and adult alike - is simply amazed at the detail of your artwork and the quality of your product.

Again, please accept my thanks on behalf of the troop and its leaders for your generosity and support of Boy Scouts of America. We are particularly thankful for your support of Troop 77. I can assure you, we will make every effort to properly care for the painting that so proudly displays our troop's name and numbers. Please extend our thanks to everyone in your company who had any part of the repainting project. We are truly indebted to you for what you have done for us.

Yours in Scouting,

Alfred F. Livaudais, Jr.
Troop 77 Committee Chairman

"A UNITED WAY AGENCY"
