Subject: Question

Paul,

Hope everything is going well! Since being back from Iraq we've made a concerted effort to paint all our UH-60s prior to redeployment in support of GWOT. We've utilized several facilities with varying success, but by far we've received the best product and service from a company called HELISPEC out of Brantley, AL. If you know of anybody needing aircraft painted by a first class facility please forward them the following info:

HELISPEC
Email: gholt@helispec.com Cell: 334 428-3111
269 Foster Street
Brantley, AL 36009

NOTE:

Turnaround time: Approximately 10 days
Product: Excellent
